

**ELTON
PARISH COUNCIL**

NOTICE TO RESIDENTS

Closure of Children's Play Area, Parish Field and Community Centre Car Park

Dear Residents

It will be necessary to close the Children's Play Area, Parish Field and Community Centre/Doctor's car park for a period of approximately 2 days. This is to carry out emergency tree felling. This closure will be Saturday 19 September 2020 and Sunday 20 September. Access to the Community Centre and Doctor's Surgery will be on foot only. Apologies for the date change from 12/13 September due to technical issues.

If residents need to contact the Parish Council in relation to this matter then they can do so either via the Parish Council Website <https://www.eltonparishcouncil.co.uk/contact.html> or via email to Parishclerk@eltonparishcouncil.co.uk

The Parish Council apologise for any inconvenience that may be caused but would ask residents to please be patient in relation to this temporary closure.

Steve Serna (Chair)
Elton Parish Council
