

## **Special Educational Needs Policy**

- 1) At The Hub we recognise that many children and young people will have a special educational need at some time. The majority of these will be moderate, mild and temporary. A few will have profound and long term difficulties.
- 2) At The Hub we understand that children and young people may experience learning difficulties, behavioural and emotional problems and or physical/sensory needs. A very able child may also require special provision.
- 3) Our aim at The Hub is to ensure that every child and young person will receive the best possible informal education to enable him/her to develop as an individual and to meet their full potential.
- 4) All activities will be planned to enable all children and young people to make progress and for all to experience success.
- 5) Activities will be adapted appropriately to meet the needs of all children
- 6) All staff at The Hub will have responsibility for ensuring they meet the learning needs of all children and young people in their care.
- 7) We aim to keep parents fully aware of their child's needs and progress
- 8) We recognise the important of equal opportunities, taking in to account all individual's needs.
- 9) Admission for a child or young person with special educational needs is as for all children and young people
